## SELF- CERTIFICATION

I, the under signed hereby declare that Dr.Yardy English Medium School was started on 5<sup>th</sup> July, 1998 and situated at Umri in Yavatmal district, Maharashtra. This school was recognised by the Maharashtra State Government since 2001. The UDISE No. is 27141012302. Since 2012, the school has been giving the 100% result in the SSC Board Exams. The school is well reputed and renowned for the students and the parents of the vicinity. It is a co-educational school with one shift. Students are well mannered and most of them are coming from low income group. Our school is well lit and ventilated with spacious classrooms. We have separate floor wise toilet facility for boys and girls. The school has well furnished library with around 4500 books. Science laboratory is equipped with physics, chemistry and biology apparatus. All the buildings are under CCTV surveillance and monitored daily. Block wise RO drinking water facility is available. We have 9 buses for students coming far places. The school maintains good quality education and discipline with qualified trained teachers. The school has well-equipped computer lab with 40 computers and good internet facility. We have E-Learning class rooms. We have hospital facility for emergency medical care in our campus. The school has underground 24 hours electricity facility with 140KV generator. All the buildings follow fire safety norms.

We follow all the rules and regulations of the government of Maharashtra. Thus far, Teachers are punctual, hardworking, dedicated, and responsible and parents also extend the continual support to our school.
